

THE FUTURE OF DIGITAL CURRENCY

www.3twentycoin.com

WEB3TWOENTY ECOSYSTEM

We are building a powerful ecosystem that bridges innovation, finance, and technology to shape the future of the decentralized world. Our mission is to simplify blockchain adoption by creating scalable, secure, and user-friendly solutions that empower individuals, businesses, and communities.

From our next-generation Smart Chain and cross-border payment gateway to our secure wallet, centralized exchange, and innovation labs, every product is designed to deliver real-world utility while driving global blockchain adoption.

www.3twentycoin.com

Headquarter

Web3Twenty is headquartered in Bahrain, expanding its reach across international markets to empower blockchain adoption worldwide.

Launch Year

Launched in 2022, Web3Twenty set out to revolutionize digital finance with cutting-edge blockchain solutions.

Our Products

Our ecosystem includes 3Twenty Smart Chain, 3Twenty Pay, 3Twenty Coin, Wallet, CEX, and Labs, driving innovation in Web3.

POWERING THE FUTURE OF WEB3

Web3Twenty is building a complete blockchain ecosystem with secure, scalable, and user-friendly solutions—transforming payments, finance, and digital innovation worldwide.

www.3twentycoin.com

OUR PRODUCTS

3Twenty Smart Chain

A next-generation blockchain built for scalability, ultra-low fees, and lightning-fast decentralized applications (dApps).

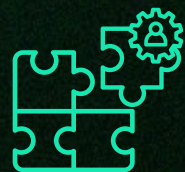

3Twenty Pay

A powerful payroll and payment gateway for businesses and employees, enabling seamless on-chain salary disbursement and cross-border transactions.

3Twenty Coin

The native digital currency of the Web3Twenty ecosystem, powering payments, staking, governance, and rewards.

3Twenty Labs

The innovation hub driving research, product incubation, and the development of groundbreaking blockchain-based solutions.

3Twenty CEX

A secure, user-friendly trading platform for digital assets with fast transactions, deep liquidity, and fiat on/off ramps.

3Twenty Wallet

A decentralized wallet solution for securely storing, sending, and managing crypto assets, with full Web3 integration.

ROADMAP 2024

Q1: 2024

Research & Foundation

1. R&D for decentralized payment solution
2. Market analysis for 3TwentyPay
3. Building the initial product prototype
4. Designing UI/UX for 3TwentyPay

Q2: 2024

Integration & Testing

1. Integrating BNB Chain with 3TwentyPay
2. Testing payments with BEP20 tokens
3. Extending support to additional EVM networks
4. Ensuring full compatibility with all EVM chains

Q3 2024

Beta & Security

1. Conducting beta testing with global clients
2. Building the merchant dashboard
3. Implementing advanced security updates
4. Opening the platform for real-world client use

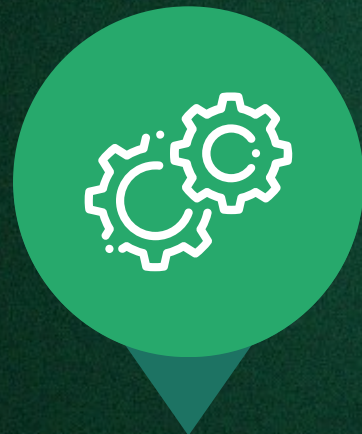

Q4: 2024

System Improvement

1. System optimization based on beta feedback
2. Expanding EVM chain performance & stability
3. Strengthening security layers for production
4. UI/UX refinements for launch readiness

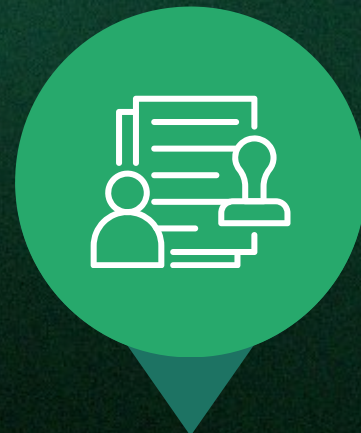

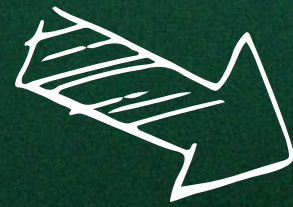

ROADMAP 2025

Q1: 2025

Expansion & Planning

1. Seed planning for global expansion.
2. R&D for Web3Twenty Ecosystem.
3. Planning to deploy 3TwentyCoin.
4. Data analysis for 3TwentyCoin.

Q2: 2025

Presale & Community

1. Launch of presale.
2. Strong community-building initiatives.
3. Smart contract verification.
4. Smart contract audit.

Q3: 2025

Global Launch

1. Grand launch of 3TwentyPay globally.
2. Updating merchant dashboard.
3. 3rd party token listing.
4. 3TwentyPay Global Campaign.

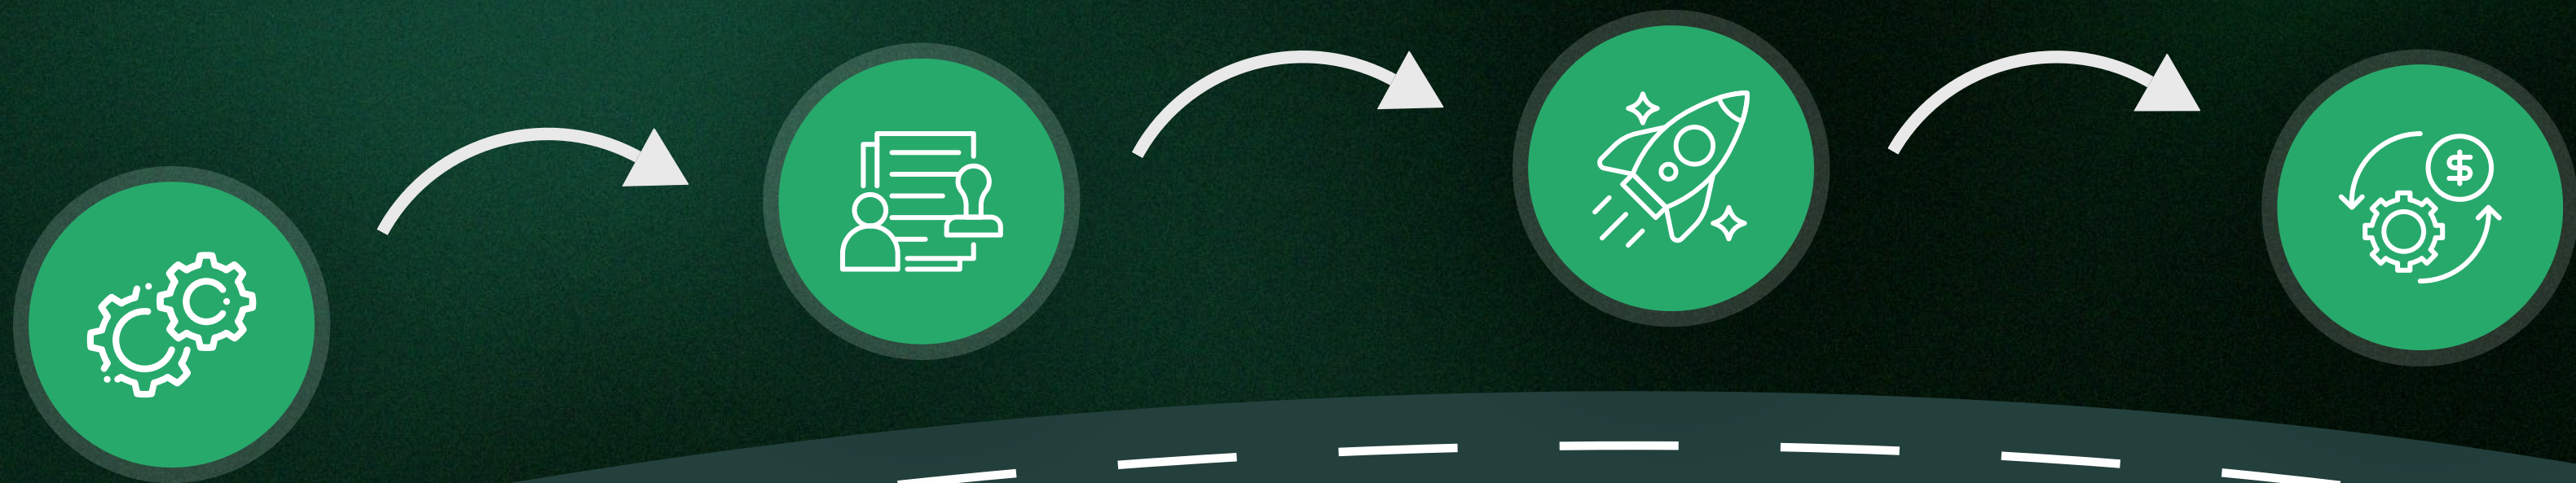

Q4: 2025

Ecosystem & Partnerships

1. Organizing 3Twenty Labs.
2. Planning for 3Twenty Smart Chain.
3. Technical research & development.
4. Strategic partnerships with global enterprises.

ROADMAP 2026

Q1: 2026

Foundation & Infrastructure

1. Advanced R&D for 3Twenty Smart Chain (high scalability & low transaction fees).
2. Building core architecture of 3Twenty Exchange (DEX + CEX hybrid model).
3. Development kick-off for 3Twenty Wallet (multi-chain, secure & user-friendly).
4. Expanding 3Twenty Labs to onboard developers, researchers & blockchain startups.

Q2: 2026

Development & Testing

1. Testnet launch of 3Twenty Smart Chain with validator onboarding.
2. Alpha release of 3Twenty Wallet with 3TwentyPay & multi-chain support.
3. Internal beta testing of 3Twenty Exchange (trading pairs with 3TwentyCoin & stablecoins).
4. Hackathon programs under 3Twenty Labs to drive innovation & adoption.

Q3 2026

Deployment & Adoption

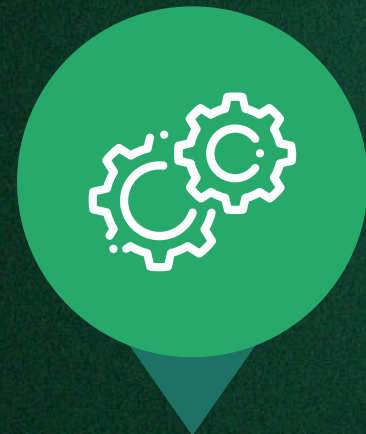

1. Mainnet launch of 3Twenty Smart Chain with staking & validator rewards.
2. Public beta launch of 3Twenty Exchange (spot trading + liquidity pools).
3. Global rollout of 3Twenty Wallet on mobile & desktop.
4. Developer grants & incubation program via 3Twenty Labs to support dApps.

Q4: 2026

Ecosystem Expansion

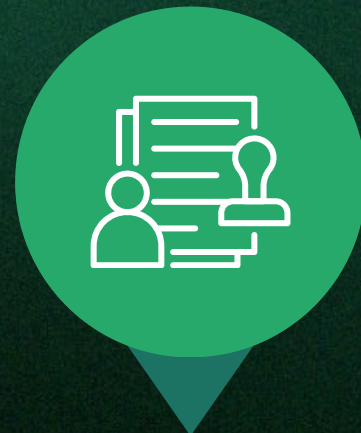

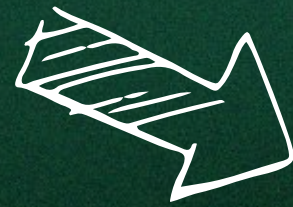

1. Integration of 3Twenty Smart Chain with major ecosystems
2. Launch of derivatives & advanced trading features on 3Twenty Exchange.
3. NFT & DeFi support inside 3Twenty Wallet.
4. Strategic partnerships with global enterprises & blockchain projects.
5. Annual 3Twenty Global Summit organized by 3Twenty Labs.

ROADMAP 2027

Q1: 2027 DEX Listing

1. PancakeSwap
2. Uniswap
3. 3Twenty DEX

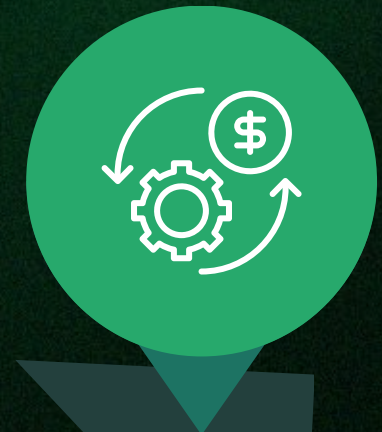

Q2: 2027 CEX Listing

1. Coinstore
2. Phemex
3. HTX

Q3: 2027 CEX Listing

1. Gate.io
2. Bitget
3. MEXC

Q4: 2027 Launching Our Own Exchanger

1. Grand Launch of 3Twenty Exchange

OUR SIGNATURE PRODUCT 3TWOENTY PAY

3Twenty Pay is a universal, EVM-compatible cryptocurrency payment gateway designed to simplify crypto transactions for businesses of all sizes. Whether you're running an eCommerce store, SaaS platform, or Web3 project, 3TwentyPay enables you to accept crypto payments securely, globally, and with ultra-low fees.

Seamless Integration

Easy API and dashboard for businesses and developers.

Multi-Chain Support

Accept crypto from any EVM-compatible blockchain

Low Transaction Fees

Fast, secure payments with ultra-low fees for every transaction

Real-Time Tracking

WebSocket/IPN-based transaction updates.

Privacy & Security

Disposable wallets, encrypted data, and fraud protection.

Scalable & Reliable

Designed to handle large-scale, high-volume transactions.

WHAT IS 3TWENTY COIN

3Twenty Coin is the native digital currency powering the Web3Twenty Ecosystem — a decentralized, community-driven economy built on the principles of transparency, accessibility, and shared growth. It facilitates payments, incentivizes participation, and ensures the ecosystem's long-term sustainability.

Whether you're staking, paying for services, referring others, or leading the community, 3Twenty Coin offers real value, not just speculation — it's a token built for people who believe in the future of Web3.

USE CASES OF 3TWENTY COIN

- ▶ Pay via 3TwentyPay Gateway
- ▶ Staking for Passive Income
- ▶ Payment on Partner Platforms
- ▶ Leadership Rank Qualification
- ▶ Dashboard Activation
- ▶ Voting & DAO Governance
- ▶ Boost Visibility in Listings & Ads
- ▶ Access to Ecosystem Tools
- ▶ Eligibility for Ecosystem Airdrops
- ▶ Payment for Web3Twenty Services
- ▶ Community & Event Participation
- ▶ Whitelisting for Token Sales
- ▶ Smart Chain Gas Token
- ▶ Earn Affiliate commissions
- ▶ Community & Event Participation
- ▶ Pay for blockchain education
- ▶ Ambassador & Community Incentives
- ▶ Trading on 3Twenty CEX

TOKEN DETAILS

- ▶ Token Name: 3Twenty Coin
- ▶ Token Symbol: 3TWENTY
- ▶ Token Standard: BEP20
- ▶ Token Type: Utility
- ▶ Blockchain: Binance Smart Chain
- ▶ Total Supply: 320,000,000

TOKENOMICS

Our token distribution model is strategically designed to drive sustainable growth, strengthen global community participation, support continuous development, and secure, scalable infrastructure within the ecosystem.

Category	Allocation
Offline Marketing	25%
Ambassador Pool	3%
CEX Founder Pool	5%
Liquidity	50%
Server and Security	5%
Development	5%
PR, Ads & Listing	7%
Total	100%

PRE-SALE STRUCTURE

Total Supply

320,000,000 3Twenty Coin

Presale Supply

160,000,000 3Twenty Coin

Minimum Purchase

Buy 3Twenty Coin with a minimum purchase of just \$10.

Activation Cost

Start with just \$100 to activate your dashboard and receive 10,000 3Twenty Coin during Phase 1

PRESALE PHASES

3Twenty Coin is offered in three presale phases with increasing prices, rewarding early buyers, and building momentum before public exchange listing.

Phase	Token Price	Key Highlights
Phase 1	\$0.01	Entry phase with maximum opportunity
Phase 2	\$0.02	Mid-level offering, increased value
Phase 3	\$0.03	Final opportunity before listing

STAKING

▶ Earn passive income

Stake your 3Twenty Coins and enjoy consistent APY rewards, generating passive income while contributing to a sustainable and rewarding decentralized financial ecosystem.

▶ Lock & grow

Locking your tokens strengthens long-term commitment, reduces market volatility, and allows you to grow your holdings steadily through ecosystem-backed rewards and staking incentives.

▶ Ecosystem strength

By staking your 3Twenty Coins, you directly support the ecosystem's liquidity, network trust, and token stability—ensuring long-term strength and decentralization for all users.

▶ Staking Details

- Duration: 320 Days
- APY Range: 5% – 15%
- Type: Fixed Staking
- Staking Amount: 1,000 – 500,000 3TWENTY
- Rewards: Daily distribution, auto to wallet

AFFILIATE BONUS

Earn rewards by inviting others! Get up to 15% in multi-level bonuses when your referrals join and purchase 3Twenty Coins through your link.

Level	Bonus	Level	Bonus
1st Level	8%	4th Level	1%
2nd Level	3%	5th Level	0.5%
3rd Level	2%	6th Level	0.5%

Affiliate Bonus (6-level system): This plan is designed to drive viral growth and community-led adoption.

RANK & REWARD

Climb the ranks by building your Affiliate network. Each new level unlocks higher bonus rewards and exclusive benefits within the 3Twenty Coin.

Rank	Condition	Reward
Rank 1	4 Direct Active Refer	20 USDT
Rank 2	4 Direct Rank One	32 USDT
Rank 3	4 Direct Rank Two	64 USDT
Rank 4	4 Direct Rank Three	256 USDT
Rank 5	4 Direct Rank Four	512 USDT
Rank 6	4 Direct Rank Five	2048 USDT

Earn up to 2,932 USDT by growing your Affiliate network and achieving ranks with active members.

AMBASSADOR POOL (3%)

- ▶ Total Ambassadors: 320
- ▶ Total: 9,600,000 3Twenty Coin
- ▶ Per Ambassador: 30,000 3Twenty Coin

FOUNDER POOL (5%)

Founder Pool offers early supporters a unique opportunity to earn long-term profit sharing from the centralized exchange (CEX) revenues.

► Founder Pool Benefits

- 5% Profit Sharing from total CEX revenue—distributed to all Founder Pool members.
- Guaranteed Passive Income as long as the CEX is operational and generating profits.
- Exclusive Access to product testing, feature voting, private events, and beta tools.
- Prestigious Rank as a key supporter and backer of the 3Twenty ecosystem.
- Future Airdrops & Bonuses based on holding and involvement.

- Select from 4 available slots based on your preferred investment level:

Slot	Founder Pool	Investment
Slot 1	70 Founder Only	\$1,000
Slot 2	100 Founder Only	\$2,000
Slot 3	100 Founder Only	\$3,000
Slot 4	50 Founder Only	\$5,000

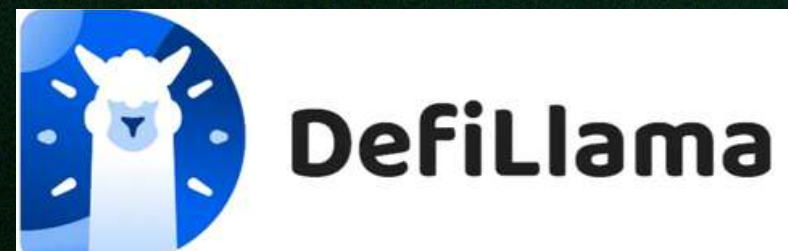

Joining the 3Twenty Founder Pool isn't just an investment—it's a partnership in shaping the future. As the platform grows, so does your earning potential.

► What Profits Are Shared in the Founder Pool?

As a Founder, you'll receive a share of all major income streams generated by the 3Twenty Centralized Exchange (CEX), including:

Profit Source	Description
Trading Fees	Commissions collected from buying, selling, and swapping crypto pairs
Coin Listing Fees	Charges applied to projects listing their tokens on the exchange
Withdrawal Fees	Fees from users withdrawing funds from the exchange
IEO/IDO Launch Fees	Revenue from projects launching tokens via our platform
Premium Subscription Plans	Income from users accessing advanced features or analytics tools
Ads & Sponsored Content	Ad revenue from banners, coin promotions, or exclusive coin exposure
Blog & Newsletter Promotions	Charges for featuring projects, coins, or Web3 tools in our blog/newsletter
NFT & DeFi Launches	Platform fees from NFT listings, staking pools, and DeFi protocol access
